Blessings In A Backpack

The Blessings is a Backpack program to feed elementary school children whose families qualify for the Free and Reduced Price Meal program. These Children often receive little to no food on the weekends. For only \$80, you can sponsor one child and send them home with a backpack full of food each weekend of the 38 week school year. 100% of the money goes directly to the food purchased for each child. Please make checks payable to "Blessings in a Backpack" and write *Belmont Elementary* in the memo. For more information, please contact Tammy Hudson at scottandtammyhudson@gmail.com
